in the manner and under the conditions stated herein and any supplemental description sheets, in accordance with

ASSE Standard Number 1013-1993 Testing Laboratory _____

This authorization is issued for one (1) year from date hereon and is renewable annually for a period of five (5) years.

Display of the ASSE Certification Mark/s(seal/s) is not a product endorsement. Display of the ASSE Certification Mark/s (seal/s) is confirmation that the product has been submitted to an ASSE listed independent laboratory for compliance to the applicable product performance standard/s, review by the voting members of the Seal Control Board and found to be in compliance with the applicable standard/s.

The American Society of Sanitary Engineering has created the Seal Control Program to encourage improvements in plumbing products and systems in the interests of greater protection of public health and safety.

Date July 25, 2000

Chairman *Herbert Panger*
ASSE Seal Control Board
