Description: ASSE Record #: 909

in the manner and under the conditions stated herein and any supplemental description sheets, in accordance with

ASSE Standard Number 1047 Testing Laboratory Center For Irrigation

This authorization is issued for one (1) year from date hereon and is renewable annually or until such time as the standard has been revised or the product/s is found not in compliance. Display of the ASSE Seal is not a product endorsement. Display of the ASSE Seal is confirmation that the product has been submitted to an ASSE listed independent laboratory for compliance to the applicable product performance standard/s, reviewed by the voting members of the Seal Control Board and found to be in compliance with the applicable product performance standard/s.

The American Society of Sanitary Engineering has created the Seal Listing Program to encourage improvements in plumbing products and systems in the interests of greater protection of public health and safety.
